

# HUGGLEHOUNDS®

## SIZE MATTERS!

Pets come in all shapes and sizes, which means they all run, jump, and snuggle a bit differently. This also means that the giant doggo with an appetite for shredding and the reclusive cat with a deep love for napping might be interested in different sized play companions—or in different HuggleHounds® altogether. Your pet's comfort and happiness is our #1 priority, which is why we offer HuggleHounds® with enough variety to pair perfectly with your pet's unique needs!

We're always dreaming up new HuggleHounds® for your pets to enjoy, as well as more high-quality beds and jackets. If you don't see your item listed on the size chart, please reach out to us by email or phone with any questions you might have!
